Windowsill

Arcade Fire

Don't wanna hear the noises on TV,
Don't want the salesmen coming after me,
Don't wanna live in my father's house no more.
Don't want it faster, I dont want it free,
Don't wanna show you what they done to me,
Don't wanna live in my father's house no more.
Don't wanna choose black or blue,
Don't wanna see what they done to you,
Don't wanna live in my father's house no more
'Cause the tide is high,
and its rising still,
and I don't wanna see it at my windowsill.
Don't wanna give 'em my name and address,
Don't wanna see what happens next,
Don't wanna live in my father's house no more.
Don't wanna live with my father's debt,
You can't forgive what you can't forget,
Don't wanna live in my father's house no more.
Don't wanna fight in a holy war,
Don't want the salesmen knocking at my door,
I don't wanna live in America no more.
'Cause the tide is high,
and it's rising still,
And I don't wanna see it at my windowsill.

MTV, what have you done to me?
Save my soul, set me free!
Set me free! What have you done to me?
I can't breathe! I can't see!
World War III,
when are you coming for me?
Been kicking up sparks,
we set the flames free.
The windows are locked now,
so what'll it be?
A house on fire, a rising sea?
Why is the night so still?
Why did I take the pill?
Because I don't wanna see it at my windowsill!

Don't wanna see it at my windowsill!
Don't wanna see it at my windowsill!
Don't wanna see it at my windowsill!
Don't wanna see it at my windowsill!
Don't wanna see it at my windowsill!
Don't wanna see it at my windowsill!
Don't wanna see it at my windowsill!
Don't wanna see it at my windowsill!
Don't wanna see it at my windowsill!
Don't wanna see it at my windowsill!
Don't wanna see it at my windowsill!
Don't wanna see it at my windowsill!
