

Superman

Taylor Swift

Tall, dark and super man
He puts papers in his briefcase and drives away
To save the world or go to work
It's the same thing to me He's got his mother's eyes, his father's ambition
I wonder if he knows how much that I miss him
I hang on every word you say You'll smile and say "How are you?"
And I'll say, "Just fine"
I always forget to tell you I love you
I'll love you forever I watched Superman fly away
You've got a busy day today
Go save the world
I'll be around I watched Superman fly away
Come back, I'll be with you someday
I'll be right here on the ground
When you come back down Tall, dark and beautiful
He's complicated, he's irrational
But I hope someday he'll take me away
And save the day, yeah Something in his deep brown eyes has me saying
He's not all bad like his reputation
And I can't hear one single word they say And you'll leave, got places to be
And I'll be okay
I always forget to tell you I love you
I loved you from the very first day I watched Superman fly away
You've got a busy day today
Go save the world
I'll be around And I watched Superman fly away
Come back, I'll be with you someday
I'll be right here on the ground
When you come back down And I watch you fly around the world
And I hope you don't chase another girl
Don't forget, don't forget about me I'm far away, but I'll never let you go
I'm lovestruck and looking out the window
Don't forget, don't forget where I'll be Right here wishing the flowers were from you
Wishing the card was from you
Wishing the call was from you
'Cause I've loved you from the very first day I watched Superman fly away
You've got a busy day today
Go save the world
I'll be around forever and ever I watched Superman fly away

I swear, I'll be with you someday
I'll be right here on the ground
When you come back downCome back down
