

On Passover We Remember

Nancy Santiago

On Passover we remember

 We remember

 We remember

On Passover we remember

 What the Lord has done

He brought us forth out of slavery

 Out of slavery

 Out of slavery

He brought us forth out of slavery

 By the precious blood of Lamb

This is my body broken for you

 Do this in remembrance of me

This is my blood poured out for you

 Do this in remembrance of me

On Passover we remember

 We remember

 We remember

On Passover we remember

 What the Lord has done

He set the captives free, led them to liberty

And parted the Red Sea that they might cross

Over the deserts and into the Promised Land

That they might love Him and obey His Laws

 Who is like unto Thee? God of our liberty

For all that You have done the battle been won

Only to Thee we sing and let our praises ring

 You are the Mighty King forevermore

On Passover we remember

 We remember

 We remember

On Passover we remember

 What the Lord has done

(Instrumental)

On Passover we remember
We remember
We remember
On Passover we remember
What the Lord has done!
