For You (you Got Everything)

Keith Sweat

You got everything I like
Would you bring it on tonight?
Bring it on, bring it on
Bring it on, baby
You got everything I like
Would you bring on tonight?
For you, I would do anything
For you, I would go anywhere
For you, I'll climb the highest mountain, baby
Just to have me some of your love, oh yes, I would
You got everything I like
Would you bring it on tonight?
Bring it on, bring it on, baby
You got everything I like
Would you bring it on tonight?
For you, I would go further than I've ever gone before, baby
For you, I'll go down, down, down, down, down, down
For you, I'll fulfill all your fantasies and make them real, yes, I will
All these things my baby, I will do just for, for you
You got everything I like
Could you bring it on tonight?
Bring it on, bring it on, baby

You got everything I like
Would you bring it on tonight?
Bring it on, bring it on, baby
Baby girl, just for you
There's nothing I wouldn't do
Baby girl, just for you
There's nothing I wouldn't do
You got everything I like
Would you bring it on tonight?
Bring it on, bring it on, baby
You got everything I like
Would you bring it on tonight?
Bring it on, bring it on, baby
You got everything I like
Would you bring it on tonight?
Bring it on, bring it on, baby

You got everything I like
Would you bring it on tonight?
Bring it on, bring it on, baby
You got everything I like
Would you bring it on tonight?
Bring it on, bring it on, baby
