U.F.O.

Newton Faulkner

It was late one night, a little while ago
I had nothin' to drink, I don't think
Okay well, maybe a glass of wine
But nothin' that would loosen my mind
To the point of seein', what Im seein' in the skyWoah, an alien bein'
My mind can't make sense of what Im seein'
It's beginning to take control
So, I better watch out for the anal probeWe got
U.F.O, hello
U.F.O, hello
U.F.O, hello
U.F.O, helloThey come in peace, we stay in war
We like to get drunk and fight each other in bars
And all Im tryin' to say is if you were to look
From the outside lookin' in, where would you begin?U.F.O, hello
U.F.O, hello
U.F.O, hello
U.F.O, helloAnd I, when I look into the sky
And I see a strange light
Everythin is alright
Everythin is alrightI, when I look into the sky
And I see a strange light
Everythin is alright
Everythin is alrightU.F.O, if you wanna take the time to say hello
I've been waitin' in a field to say
U.F.O, if you wanna take the time to say hello
I've been waitin' in lineU.F.O, if you wanna take the time to say hello
I've been waitin' in a field to say
U.F.O, if you wanna take the time to say hello
I've been waitin' in lineU.F.O, if you wanna take the time to say hello
I've been waitin' in a field to say
U.F.O, if you wanna take the time to say hello
But do you wanna say, hi?
