

# U.F.O.

## Newton Faulkner

It was late one night, a little while ago  
I had nothin' to drink, I don't think  
Okay well, maybe a glass of wine  
But nothin' that would loosen my mind  
To the point of seein', what Im seein' in the skyWoah, an alien bein'  
My mind can't make sense of what Im seein'  
It's beginning to take control  
So, I better watch out for the anal probeWe got  
U.F.O, hello  
U.F.O, hello  
U.F.O, hello  
U.F.O, helloThey come in peace, we stay in war  
We like to get drunk and fight each other in bars  
And all Im tryin' to say is if you were to look  
From the outside lookin' in, where would you begin?U.F.O, hello  
U.F.O, hello  
U.F.O, hello  
U.F.O, helloAnd I, when I look into the sky  
And I see a strange light  
Everythin is alright  
Everythin is alrightI, when I look into the sky  
And I see a strange light  
Everythin is alright  
Everythin is alrightU.F.O, if you wanna take the time to say hello  
I've been waitin' in a field to say  
U.F.O, if you wanna take the time to say hello  
I've been waitin' in lineU.F.O, if you wanna take the time to say hello  
I've been waitin' in a field to say  
U.F.O, if you wanna take the time to say hello  
I've been waitin' in lineU.F.O, if you wanna take the time to say hello  
I've been waitin' in a field to say  
U.F.O, if you wanna take the time to say hello  
But do you wanna say, hi?
