

# If The Shoe Fits (shuffle Mix)

## Hank Williams Iii

Sittin' up all night trying to have a good time  
Singing my songs and trying to get paid  
I've been roughed up, beat up, I've been cut  
I got a tattoo at a tender age  
Never could respect a sherriff trying to break my neck  
With a few friends and a can of mace  
Born on the south-side with a lot of rebel pride  
I raised a lot of hell in my younger days

Hey, I can't help what I say  
I could be right I could be wrong  
It just might hurt but it makes me strong

If the shoe fits wear it  
If the truth hurts bear it  
Well that's the kind of life I'm living  
And I plan on living long

Its a hard road to choose  
Being good and paying dues  
But that's the kind of life I'm living  
And I plan on living long

Running hard running free never gonna catch me  
Driving too fast on a black top road  
Loaded up, hammered back  
I'll smack you with my tire jack  
You better walk away before I carry you home  
Passing my pig sty, sleeping where the dogs lie  
Anywhere I go is where I call my home  
Been stoned, been straight,  
Been to hell and heaven.s gate  
I got thrown out 'cause they said I didn't belong

Hey, I just keep movin' on  
I could be right I could be wrong  
It just might hurt but it makes me strong

If the shoe fits wear it  
If the truth hurts bear it

Well that's the kind of life I'm living  
And I plan on living long

Its a hard road to choose  
Being good and paying dues  
But that's the kind of life I'm living  
And I plan on living long

Hell, that's the kind of life I'm living  
And I plan on living long
