

Gotta Go (Album Version)

Trey Songz

Good evening
I'd like to thank everybody for coming out
Hope your flights were safe
Feeling real breezy
Swift like the wind It's calling my body
It's calling my soul
It's calling my mind
Girl I gotta go Baby it's the grind
Yes I had a good time
Don't get me wrong
You were so good
And I really wish I could Stay a little bit longer
Love you a little bit stronger
And go a little deeper
Baby with you But since this thang is calling I
Gotta answer, dry your eyes
Girl don't cry
'Cause you're making it hard for me 'Cause I don't want to leave, ooo girl
But I gotta go right now
I'll be back to hold you down
I don't want to leave, no
But girl I gotta go right now
And I'll be back before you know it So hold that thought
Don't you move
See I'm coming right back
Right back for you Don't you change your position
Girl I'm on a mission
And baby trust I'll be missin'
Missin' you
'Cause I don't wanna leave I don't want to leave, leave, leave you baby
But I gotta go right now, but I gotta go though
And I'll be back to hold you down
I don't want to leave, no no no
But girl I gotta go right now
And I'll be back before you know it Streets be calling me
They be calling my name, baby
But when they call, I gotta go
So I'm letting you know
But I won't be gone for long

And already I can't wait to come home to you I don't want to leave, no baby
But I gotta go right now
But I'll be back to hold you down
I don't want to leave
But girl I gotta go right now
I'll be back before you know it I don't want to leave, you know
But I gotta go right now
I'll be back to hold you down
I don't want to leave, leave you baby
But I gotta go right now
I'll be back before you know it Break it down
Naw, I don't want to leave
But you know how it is, when
Whoa baby, keep that on
Don't take it off
Keep in on, so I can
Take it off, when I come back
Yeah, fo' sho
You better believe that I don't want to leave
(Since this thang is calling I)
(Gotta answer, dry your eyes)
But I gotta go right now
(Girl don't cry, ooo)
I don't want to leave
But I gotta go right now
And I'll be back before you know it
