

# Demons

## Super Furry Animals

Clarity just confuses me  
The lines drawn on a map  
A strange assemblyWhen there's northerners in southerners  
And westenders in eastenders  
And sunny days in January  
Left spaces in my diaryBut the demons never need to know  
What the demons never got to see  
As we fall in and out of line  
Stay in touch now for a while  
Coz the demons never need to know  
What the demons never got to see  
As we fall in and out of line  
Stay in touch now for a whileCoz I know that  
Apathy only ruined me  
Hanging around waiting for calamityAnd by the year four million  
Our skins will be vermillion  
I own a dartboard memory  
So I'll forget any felonyBut the demons never need to know  
What the demons never got to see  
As we fall in and out of line  
Stay in touch now for a while  
For the demons never need to know  
What the demons never got to see  
As we fall in and out of line  
Stay in touch now for a while[Bridge]  
'Cause I know that you know that we know they don't know what's going onAnd the demons never need to  
know  
What the demons never got to see  
As we fall in and out of line  
Stay in touch now for a while  
For the demons never need to know  
What the demons never got to see  
As we fall in and out of line  
Stay in touch now for a whileFor the demons never need to read  
What they never got around to write  
A flirt with mediocrity  
Comes with a heavy penalty  
But the demons never need to read  
What they never got around to write

A flirt with mediocrity  
Comes with a heavy penalty[Bridge]  
'Cause I know that you know that we know they don't know what's going on
