

Permission To Fire

Holy Moses

[music: Andy Klassen]

[words: Sabina Classen]AAAhhhhhh...

After school they take the gun

No emotions since Vietnam

Millions involved in this case

Plastic blood runs down their face

Living under blind instruction

Our saviours from destruction

Permission to fire with a smile

Do they care if we live or diePlay - that you don't feel the pain

When the bullet hits your brain

Watch out - in this final maze

Bombs don't shape a peaceful race

A reign of fear for tomorrow

Broken bones for our sorrow

Hell on earth is their bloody deed

The fuckin' army is their needPlay - that you don't feel the pain

When the bullet hits your brain

Watch out - in this final maze

Bombs don't shape a peaceful racePlay - that you don't feel the pain

When the bullet hits your brain

Watch out - in this final maze

Bombs don't shape a peaceful raceAfter school they take the gun

No emotions since Vietnam

Millions involved in this case

Plastic blood runs down their face

Living under blind instruction

Our saviours from destruction

Permission to fire with a smile

Do they care if we live or die
