

I Want You

Pulp

Hey, you can look, you can look just like anyone else
If that's what you want to do
I, I could laugh, I could laugh in your face if I want
Oh, but I'm not going to When we met last week on Saturday
I couldn't make a sentence, I couldn't even say what I meant to say That I want you, it doesn't hurt to say I want
you, I need you
I never thought I'd say I need you, I'll keep you
Oh yes, I'll keep you and I'll throw myself away, away, away And I'll break you because I lose myself inside
you, I'll make you
Fit in the space that I provide you, I'll take you
Oh yes, I'll take you just to push you far away, away, away Yes, yes, you're all, yes you're all that I ever desire
Still I'll kill you in the end
When, when it seems, when it seems that it's getting too soft
When you lapse into a friend There's someone just behind the door
So don't betray your feelings, no don't talk anymore
Never dare to say That I want you, it doesn't hurt to say I want you, I need you
I never thought I'd say I need you, I'll keep you
Oh yes, I'll keep you and I'll throw myself away, away, away And I'll break you because I lose myself inside
you, I'll make you
Fit in the space that I provide you, I'll take you
Oh yes, I'll take you just to push you far away, away, away Now, now we come, now we come to the end of it all
See it squirming, almost dead
No, you can't leave, you can't leave it to die here in pain
You've got to stamp upon it's head I'll go out and you'll stay home
Facing up to living, living on your own and I'll curse my pride
Curse my pride, curse my stupid pride 'Cause I want you, it doesn't hurt to say I want you, I need you
I never thought I'd say I need you, I'll keep you
Oh yes, I'll keep you and I'll throw myself away, away, away And I'll break you because I lose myself inside
you, I'll make you
Fit in the space that I provide you, I'll take you
Oh yes, I'll take you just to push you far away, away, away
