The Nightingale

Julee Cruise

The nightingale It said to me There is a love Meant for me'The nightingale It flew to me And told me That it found my loveHe said one day 'I'll meet you' Our hearts will fly With the nightingaleThe nightingale He told me One day 'You will be with me'The nightingale Said he knew 'That your love Would find my love one day'My heart flies With the nightingale Through the night All across the worldI long to see you To touch you To love you Forever more
