

Back At One

Mark Wills

It's undeniable, that we should be together
It's unbelievable, how I used to say that I'd fall never
The basis you need to know, if you don't know just how I feel
And let me show you now that I'm for real
If all things in time, time will reveal
1, you're like a dream come true
2, just wanna be with you
3, girl it's plain to see
That you're the only one for me and
4, repeat steps 1 through 3
5, make you fall in love with me
If ever I believe my work is done
Then I'll start back at 1
It's so incredible the way things work themselves out
And unemotional once you know what it's all about and
And undesirable for us to be apart, I never would have made it very far
'Cause you know you hold the keys to my heart, 'cause
1, you're like a dream come true
2, just wanna be with you
3, girl it's plain to see
That you're the only one for me and
4, repeat steps 1 though 3
5, make you fall in love with me
If ever I believe my work is done
Then I'll start back at 1
Say farewell to the darkened night, I see the coming of the sun
I feel like a little child whose life has just begun
You came and breathed new life into this lonely heart of mine
You threw out the lifeline just in the nick of time
1, you're like a dream come true
2, just wanna be with you
3, girl it's plain to see
That you're the only one for me and
4, repeat steps 1 through 3
5, make you fall in love with me
If ever I believe my work is done
Then I'll start back at 1, you're like a dream come true
2, just wanna be with you
3, girl it's plain to see
That you're the only one for me and
4, repeat steps 1 through 3
5, make you fall in love with me
If ever I believe my work is done
Then I'll start back at 1, you're like a dream come true

2, just wanna be with you
3, girl it's plain to see
That you're the only one for me
