Up Up Up

Rose Falcon

Get ready or not
Cause here I come
Dance, dance, dance
Have some fun
Six five four, three two one
Get up, get up
Oh no
Never ever gonna stop
Try to fly and if I drop
Not gonna quit
Get up, get up, get up
Stand back
Gonna make some noise
Sing until they hear my voice
Can't keep me down
Get up get up
Get ready or not
Cause here I come
Dance, dance, dance
Have some fun
Six, five, four, three, two, one
Get up, get up
Get up, up, up
Oh whoa
Up, up, up
Rain falls
Down on their parade
Lemons into lemonade
Can't slow me down
No way, no way, no way
Yesterday is in the past
Revolt
Tomorrow's coming fast
All you got is now
Get up get up
Get ready or not
Cause here I come
Dance, dance, dance
Have some fun

Six five four, three two one
Get up, get up
Get up, up, up
Oh whoa
Up, up, up
Oh whoa
Up, up, up
Oh whoa
Up, up, up
Oh whoa
Up, up, up
(Yea, yea, yea, yea, yea, yea)
Hey you
Don't let 'em see you frown
Come on turn it upside down
Don't ever quit
Get up get up
When life puts you to the test
There's nothin' better than your best
Show 'em what you got
You got a lot
Show 'em what you got
Get up get up
Get up up up
Oh whoa
Up up up
Oh whoa
Up up up
Oh whoa
Up up up
Oh whoa
Up up up
Higher, higher
Up up up
Cause a fire
Up up up
Oh whoa
Up up up
Get ready or not
Cause here I come
Dance, dance, dance
Have some fun
Six five four, three two one
Get up, get up
Get up, up, up

Oh, whoa
Up, up, up
Oh, whoa
Up, up up
Oh, whoa
Up, up, up
Oh, whoa
Up, up, up
Up, up, up
Higher higher
Up, up, up
Scores on fire
Up, up, up
Oh whoa
UP, UP, UP
