Originally performed by VenomWelcoming the virgins fair, to live a noble life
In the castle known to all - the Count's internal wife
She invites the peasants with endless lavish foods
But, when evening spreads it wings, she rapes them of their bloodCountess Bathory
Countess BathoryAll day long the virgins sit and feast on endless meals
The Countless laughs and sips her wine - her skin doth crack and peel
But when nighttime fills the air one must pay the price
The Countess takes her midnight bath with blood that once gave life
