I Get Doe (feat. Jim Jones)

D.O.G.

I bet you think cause you saw me on the TV,
that you know my whole life story,
let me tell you something you might not know,
fuck what you're talking bout, bitch I get doe, I get doe.x3
I get doe.
I get doe.
I get doe.
Bitch I get doe.I get doe, nigger watch, I can show you how.
Continental GT bitch I'll show you now.
Whenever showing up, I can't control my bowels,
Gotta shit on niggers, *DON'T KNOW*
Fast life, fast cars, ain't no slowing down,
ain't no breaks on my drive, we're into flowing now,
It's like the bridal got stuck, heading for the clouds,
and the law is on my ass cause they know my file,
But now my mumma rest in peace, i'm a soldiers child,
so no more stoppin for those coppers till the role run out,
more money, more problems, shit i know it now,
but ain't no time to resolve it, there's too much doe to count.CHORUSI bet you think cause you saw me on the TV,
that you know my whole life story,
let me tell you something you might not know,
fuck what you're talking bout, bitch I get doe, I get doe.x3
I get doe.
I get doe.
I get doe.
Bitch I get doe.
