

Life Support Addiction

Refused

Somewhere along the line we lost
Individuality paid the cost
Close enough to inhale the security
As always too far away
We breed upon culture sickness
Made this rule into our own Silently sedated
Minds fly out the window
Our emotions suffocate
Suppress the essence of Independent Friday night dress
Wash away the fear and insecurity
Substitute the freedom
Cut the wounds wide open
A glimpse caught the sense And now you're content is slowly fading
The familiar escape
The alternative to nothing
Familiar escape
The alternative to nothing Silently sedated
Minds out the window
Our emotions suffocate
Suppress the essence of
Friday night
Life addiction
Watch your love
Slip through your hands Silently sedated
Minds out the windows
Our emotions suffocate
Suppress the essence of
