

Rock 'n' Roll Star

Oasis

I live my life in the city
There's no easy way out
The day's moving just too fast for me
I need some time in the sunshine
Gotta slow it right down
The day's moving just too fast for me I live my life for the stars that shine
People say, "It's just a waste of time"
When they said, "I should feed my head"
That to me was just a day in bed I'll take my car and drive real far
They're not concerned about the way we are
In my mind my dreams are real
Now you concerned about the way I feel Tonight I'm a rock 'n roll star
Tonight I'm a rock 'n roll star I live my life in the city
There's no easy way out
The day's moving just too fast for me
I need some time in the sunshine
Gotta slow it right down
The day's moving just too fast for me I live my life for the stars that shine
People say, "It's just a waste of time"
When they said, "I should feed my head"
That to me was just a day in bed I'll take my car and drive real far
They're not concerned about the way we are
In my mind my dreams are real
Now you concerned about the way I feel Tonight, I'm a rock 'n roll star
Tonight, I'm a rock 'n roll star
Tonight, I'm a rock 'n roll star You're not down with who I am
Look at you now
You're all in my hands tonight Tonight I'm a rock 'n roll star
Tonight I'm a rock 'n roll star
Tonight I'm a rock 'n roll star It's just rock 'n roll
It's just rock 'n roll
It's just rock 'n roll
