Yeasayer

One's not enough
I won't stop 'til I've given you up
Here, right as I am, it's hard having fun
It's much easier said than it's doneHold me like before
Hold me like you used to
Control me like you used toNo, you don't move me anymore
And I'm glad that you don't
'Cause I can't have you anymoreBut I thought you should know
You don't move me anymore
And I'm glad that you don't
'Cause I can't take it anymore, ohThe room's still now when I'm lying
'Cause the well of the night has gone dry
When they ask to behave I paid them no mind
Now I doubt if I'd have been so kindHold me like before
Hold me like you used to
Control me like you used toNo, you don't move me anymore
And I'm glad that you don't
'Cause I can't have you anymoreBut I thought you should know
You don't move me anymore
And I'm glad that you don't
'Cause I can't take it anymore, ohHold me like before
Hold me like you used to
Hold me like before
Hold me like you used toHold me like before
Hold me like you used to
Control me like you used toHold me like before
Hold me like you used to
Control me like you used toNo, you don't move me anymore
And I'm glad that you don't
'Cause I can't have you anymoreBut I thought you should know
You don't move me anymore
And I'm glad that you don't
'Cause I can't take it anymore
But I thought you should knowIt feels like being tranquilized
I know the separation kills us so
But I won't stop falling like raindrops
Because I like it when you lose controlBut I thought you should know
(It feels like being tranquilized)
You don't move me anymore

(I know the separation kills us so)I'm glad that you don't
(But I won't stop falling like raindrops)
'Cause I can't take it anymore
(Because I like it when you lose control)But I thought you should know
(It feels like being tranquilized)
You don't move me anymore
(I know the separation kills us so)I'm glad that you don't
(But I won't stop falling like raindrops)
'Cause I can't take it anymore
(Because I like it when you lose control)But I thought you should know
(It feels like being tranquilized)
You don't move me anymore
(I know the separation kills us so)
