Lost Without You

Nottaway

Never thought that it would be this way without you
It's taking all I have just to live from day to day
My heart aches for you I can't believe we're through
Oh baby, I miss you
I'm lost, I'm lost without you baby
The days aren't the same
The nights are cold and gray
I need you in my life, if not now then someday
As I think about the time we've shared together
The way I feel for you I know I'll never feel again
Memories of loving you still linger in my head
Oh baby, I miss you
I'm lost, I'm lost without you baby
The days aren't the same
The nights are cold and gray
I need you in my life, if not now then someday
There's a feeling deep inside of me
That just won't let you go
And the more I try to fight it
The more it seems to show can't let you go
Oh I'm lost, I'm lost without you baby
The days aren't the same
The nights are cold and gray
I need you in my life, if not now then someday
I'm lost without you baby
The days aren't the same
The nights are cold and gray
I need you right now
Uh, if not now, maybe someday
