

# Jah Music

## Fortunate Youth

JAH MUSIC  
it's jah music, it's jah music  
jah music oh, is everywhere  
it's jah music, it's jah music  
jah music oh, is everywhere  
jah blessed us with a melody so  
jah blessed you to come and hear it oh  
jah blessed us with these fortunate times  
for us to unite  
CHORUS  
oooo I, wanna dance the night away  
till the light, till the light  
till the light of another day  
Them know jah music, they feel it  
if it's in your soul, then come dance with us  
in all this, feel jah music  
everyday it's gonna be in us, playin'  
i know, that judgements can't come and change our people because we love jah music  
and were gonna, keep on movin'  
let them know what we be doin' with  
jah music, said everyday  
love has come we spread it with  
jah music, said everyday  
they all should know we are  
fortunate youth  
(CHORUS)
