

# Devil's Gift

## Shaman's Harvest

Don't feel so bad  
'cause I'm gonna make it alright  
Isn't it sad  
That we've got to turn out the light  
And if you sign your name on the dotted line  
I'm gonna take you back homeIf you're comin' in the front door, askin' for trouble  
Or come up in the back, I'll be showin' you my double  
Better take a minute  
I promise, you are gonna thank me  
See I'm a real cold dude who likes to take his time  
If you put your John Henry on the dotted line  
I can give you whatever you want  
'til you're beggin' me to stop the rideDon't feel so bad  
'cause I'm gonna make it alright  
Isn't it sad  
That we've got to turn out the light  
And if you sign your name on the dotted line  
I'm gonna take you back homeDon't you be shy boy, holdin' your tongue  
It's just a little pin prick and the job is done  
What, you got cold feet?  
Don't you think that you can take me?  
Well all you've gotta do is meet me down at the crossroads  
The moon is up and the sun is low  
Before this night is over you are gonna believeAnd I'm singin'  
Hey mister tally man, tally up the buck shot  
One in the barrel, one makin' a hole  
Better take your time with this one man  
Or you will sink  
I said the flood water's rising and you without a paddle  
Betcha can't find me, I'm movin' in the shadows  
If you're gonna play, better play in the light  
'cause the devil's comin' back home tonight, yeahDon't feel so bad  
'cause I'm gonna make it alright  
Isn't it sad  
That we've got to turn out the light  
And if you sign your name on the dotted line  
I'm gonna take you back homeDon't feel so bad  
(Don't feel so bad)  
'cause I'm gonna make it alright

(Oh, I'm gonna make it alright, yeah)

Isn't it sad

(Isn't it sad)

That we've got to turn out the light

And if you sign your name on the dotted line

I'm gonna take you back home

And if you sign your name on the dotted line

I'm gonna take you back home
