

Hey Elvis

Billy Ray Cyrus

Hey Elvis won't cha come back home
I left a message on your code a phone
I tried to reach ya but I can't get through
Hey Elvis where the hell are you Somebody saw you at the shopping mall
Somebody said they heard that southern drawl
Hey Elvis is it really true
We're all waitin' for a sign from you Everybody's knows about your pink Cadillac
Everybody's wonderin' when your comin' back
Everybody's waitin' just to hear ya sing
Hey Elvis, you're still the King Hey Elvis wan't cha come back soon
Nobody's rockin' in the Jungle Room
Come December don't know what we'll do
Be a blue Christmas without you Everybody's knows about your pink Cadillac
Everybody's wonderin' when your comin' back
Everybody's waitin' just to hear ya sing
Hey Elvis, you're still the King Love me tender
Don't be cruel
Return to sender
Stuck on you
It's now or never
Suspicious Minds
Hey Elvis, aren't ya lonesome tonight Hey Elvis can't ya see
They need you back in Memphis, Tennessee
They're makin' records but there's nothing new
Nobody ever done it quite like you Everybody's knows about your pink Cadillac
Everybody's wonderin' when your comin' back
Everybody's waitin' just to hear ya sing
Hey Elvis, you're still the King Everybody knows about your "Lisa Marie"
Everybody knows about TCB
Everybody's waitin' just to hear you sing
Hey Elvis, you're still the King Come back to Memphis, Elvis
You're still the King
