

# Above Control

## Warpaint

Above control  
Above control  
Above control  
Above control I like to hear  
I like your eyes  
It brings me joy  
You'd fit in mine  
I love to sow  
I have for so Bear it on  
I want to know  
To see the low  
It's getting madder than you know  
I want to go see you now I love, I love, I love, I love, I love  
I love, I love, I love, I love, I love  
Above control  
Above control With the waking hours  
Something I can't go without  
I want to say but I don't  
Who is my avalanche  
Something gotta take me out  
To be above control  
Say it Get out my life  
Get out my life  
Get out my life  
Get me out Get out my life  
Get out my life  
Get out my life  
And send me  
And send me  
And send me  
Above control  
Above control Dumb enough to see you, bear it on  
Now you see me walking on  
Somebody sees you, somebody sees your ground  
Get out, get out  
Get out, get out  
Above control  
Above control  
Above control Have you seen me walking on solid

Have you seen me walking on solid  
Have you seen me walking on solid  
Have you seen me walking on solid ground?
