Slow

Twin Shadow

Don't turn me over, just let me know
How long will it be before you let me go?
You hold the line, a bullet soul
It's just that sometimes, times, so slow
Sometimes, times, so slowI don't wanna, believe, be but, in love
I don't wanna, be, believe, in loveDon't put me on, just let me in
How many times did you let me win?
Give me one more, my ticket's in
Oh, can we try again
Can we try againI don't wanna, believe, but be, in love
I don't wanna, be, believing, in loveI don't wanna, believe, but be, in love
I don't wanna, be, believing, in loveI don't wanna, believe, but be, in love
I don't wanna, be, believe, in loveI don't wanna, believe, but be, in love
I don't wanna, be, believe, in love
