

Hey Doofus

Nobodys

Hey doofus. You wanna buy me a jug so i can go get fucked up.
Hey doofus. You wanna buy me a jug with the money i got selling blood.
I've got twenty dollars and it's all for booze.
Bring me a bottle and i'll share it with you.
Hey doofus. You wanna buy me a jug with the money i got selling blood.
Hey doofus. You wanna buy me a jug so i can go get fucked up.
Hey dooooofus.
