Don't Mess With Texas

Slick Shoes

Sometimes this world seems so cruel
Just as if there were no rules
I've added my fair share, I know
I wish I could take back
The cruel things I've doneBut I won't let it drag me down
I'm in this for the long run
I won't let the stupid things
I've done in the past get in my wayNot just on my strength alone
I've fought for so long
It will take more than that
Before I give upI have seen strong and weak
Give up along the way
But that will not be the case for me
Not tomorrow, not todayThis world has shown me
What it has to offer
Guilt, hate, anger, and fear
Controls so many livesBut I won't let it drag me down
I'm in this for the long run
I won't let the stupid things
I've done in the past get in my wayNot just on my strength alone
I've fought for so long
It will take more than that
Before I give upYou won't see me give up
You won't see me give upBut I won't let it drag me down
I'm in this for the long run
I won't let the stupid things
I've done in the past get in my wayNot just on my strength alone
I've fought for so long
It will take more than that
Before I give up
