

Superman (feat. Tomorrow People)

Sons Of Zion

She say, she say I don't miss her, say I don't love her
Im tryna tell my girl she's worrying for nothing, oh
She says 'We stand out from each other, like we're so distant, like there's something missing',
(Ooh)
Is there something I can do to fix that? Cause you were my Superwoman (Superwoman),
I was your Superman, (yeah)
Never ever thought that love would ever let us feel this way, (feel this way)
Cause on the outside, outside, it's never perfect on the inside
I want you to be my Superwoman
I'll be your Superman, yeah She say, she say I don't listen, mis-communication,
Girl I swear you'll never find a man that will be more dedicated, than me,
What would it take for you to see what I see?
Girl you got whole me, nothing less and everything, woah oh ooh,
Why this gotta be so dramatic, like the world's a stage and sh...
Cause you know, you know I love you (love you)
And you know, you know I'm for you (for you)
Girl you know, you know I'm down for you, I'll ride for you,
Baby please tell me what to say yeah, yeah, yeah You were my Superwoman (you were my Superwoman),
I was your Superman, (yeah, yeah, yeah)
Even ever thought that love would ever let us feel this way, (feel this way (why do we feel this way yeah)
Cause on the outside, outside, it's never perfect on the inside
I want you to be my Superwoman (Superwoman)
I'll be your Superman, yeah (Tomorrow People)
And then me say she, never complain about the way that things they used to be,
But then me forward to the future it be killing me,
What I got for now is just an opportunity to show the best of me, so she can really see, baby,
Let's walk and talk it and me never gonna let you walk on out,
I swear I wear me heart, me never wanna see you break or cry,
Breaking ground, side me side me never gonna let a day go by that I don't tell you I want you to be
Cause you were my Superwoman (woah oh),
I was your Superman, (no ones Superman)
Never ever thought that love would ever let us feel this way, (I never thought, (feel this way) I never thought
love)
Cause on the outside, outside, it's never perfect on the inside (no it aint perfect baby)
I want you to be my Superwoman (Superwoman)
I'll be your Superman, yeah
Oh no no no no, uh huh yeah
I said you're my Superwoman
