

# Life Is A Long Song

## Jethro Tull

When you're falling awake  
And you take stock of the new day  
And you hear your voice croak  
As you choke on what you need to say  
Well, don't you fret, don't you fear  
I will give you good cheerLife's a long song  
Life's a long song  
Life's a long song  
If you wait then your plate I will fillAs the verses unfold  
And your soul suffers the long day  
And the twelve o'clock gloom spins the room  
You struggle on your way  
Well, don't you sigh, don't you cry  
Lick the dust from your eyeLife's a long song  
Life's a long song  
Life's a long song  
We will meet in the sweet light of dawnAs the baker street train spills your pain  
All over your new dress  
And the symphony sounds underground  
Put you under duress  
Well, don't you squeal as the heel  
Grinds you under the wheelsLife's a long song  
Life's a long song  
Life's a long song  
But the tune ends too soon for us allBut the tune ends too soon for us all
