The Remedy

Tom Sinclair

I could use a shot
Your novocaine
My soul's a fuse
Blows away your name
Then you can be the remedy
And I can be the enemy
And he can go and live as nothing
Then you can be the wanna be
And I can be the remedy
And he can go to hell for all I care
Say this world is not so shallow
When you can't beg, steal or borrow
Save your breath, your soul is hollow
And it's all too much to swallow
Take this souvenir
They can't deny you were here
This scar always there
To medicate your fear
Then you can be the remedy
And I can be the enemy
And he can go and live as nothing
Then you can be the wanna be
And I can be the remedy
And he can go to hell for all I care
Say this world is not so shallow
When you can't beg, steal or borrow
Save your breath, your soul is hollow
And it's all too much to swallow
The remedy
Then you can be the remedy
And I can be the enemy
And he can go and live as nothing
Then you can be the wanna be
And I can be the remedy
And he can go to hell for all I care
Say this world is not so shallow
When you can't beg, steal or borrow
Save your breath, your soul is hollow
And it's all too much to swallow
