

Far From Home

Mr Little Jeans

When the distance's grown
When you're far from home
Are your eyes new
Nothing's easier looking back from a
Room with a view Could've said and could've done
From a thousand down to one
Looking for a better 'long the way
Tell me are you still the same
Tell me am I gonna learn
Will it be the last time that I say Greener grass not so
Perfect's just for show
Waking up cold
Next to someone new
Having things to do
Watching time go Oh love of mine
Oh my sweet love
What if the night
Could undo
Take back the time
Bring back enough
Before the day I lost you
