Mary/Martha

The Donut Man

Children:
Mary seats at Jesus feet,
While Martha makes them food to eat.
Mary seats and listens to Jesus, While busy Martha makes things neat,
While busy Martha makes things neat.

Mr. Donut Man:
And what was Martha thinking?

Child:
I am busily busily working, while Mary is looking while can't Jesus see she should help,
I'm chopping and cutting and cooking while Mary is looking while can't Jesus see she should help
While can't Jesus see she should help me.

Mr. Donut Man:
Jesus felt sorry for her and said

Martha, Martha,
while do you worry?
Mary, Mary,
choose the best part when she choose me
Choose the best part when she choose me.

Children and Mr. Donut Man together:
