

Have You Seen the Stars Tonight?

Jefferson Starship

Have you seen the stars tonight?
Would you like to go up on A-deck and look at them with me?
Have you seen the stars tonight?
Would you like to go up for a stroll and keep me company? Did you know
We could go
We are free
Any place
You can think of
We can be Have you seen the stars tonight?
Have you looked at all the family of stars?
