

Start Me Up

The Folksmen

If ya start me up.....(start me up)
If you start me up I'll never stop.If ya start me up.....(start me up)
If ya start me up I'll never stop.I've been runnin' hot.....(runnin' hot)
Ya got me thinkin' gonna blow my top.If ya start me up.....(start me up)
If ya start me up I'll never stop.You make a grown man cry (cry).
You make a grown man cry (cry).
You make a grown man cry.(Spoken)
Spread out the oil, the gasoline
I walk smooth.
She's a mean, mean machine.If ya start it up.....(start it up)
Ya pull my starter, give it all ya got.I can't compete.....(can't compete)
with the riders in the other heat.If ya rough it up.....(rough it up)
If ya like it you can slide it up.
(Spoken) What's that?
Slide it up!You make a grown man cry (cry).
You make a grown man cry (cry).
You make a grown man cry.(Spoken)
My eyes dialate; my lips go green.
My hands are greasy.
She's a mean machine.(Interlude)If ya start me up.....(start me up)
If you start me up I'll never stop.If ya start me up.....(start me up)
If you start me up I'll never stop.I've been runnin' hot.....(runnin' hot)
Ya got me thinkin' gonna blow my top.If ya start me up.....(start me up)
If ya start me up I'll never stop.You make a grown man cum.
You make a grown man cum.
You make a grown man cum.
(repeat ad nauseum)
