

# Hungry Like the Wolf

## Reel Big Fish

Now if you will gentlemen  
Let's, let's put it, the song into perspective  
Just so you guys can understand  
Where I'm coming from when I sing this  
It's that thee, thee, thee, thee woman is, is the hunted  
The animal, and when I catch her being the predator  
The hunter, I'm gonna kill her, maybe not kill her  
But you know, you know what I mean  
You silly guys, little bit of hot nookie, eh  
Little bit of, pinch and squeal whatever you know  
However it goes, we're animals right?  
We're outta control, we're fierce animals  
Crazy err, that's what I'm sayin', let's do this song  
Dark in the city and the night is a wire  
Steam in the subway and the earth is a fire  
Do-do do do, do do do, do do do, do do do, do do  
Woman you want me, so give me a sign  
Other way I'm just a moment behind  
Do-do do do, do do do, do do do, do do do, do do  
(O yeah) Now, In touch with the ground  
I'm on the hunt I'm after you  
Smell and a sound, I'm lost and I'm found  
And I'm hungry like the wolf  
Straddle the line in discord and rhyme  
I howl and I whine I'm after you  
My mouth is alive with juices like wine  
And I'm hungry like the wolf  
Dark in the forest too and it's close to hide  
I'll be upon you on the moonlight side  
Do-do do do, do do do, do do do, do do do, do do  
High blood drumming on your skin, it's so tight  
You feel my heat I'm just a moment behind  
Do-do do do, do do do, do do do, do do do, do do  
Alright now, in touch with the ground  
I'm on the hunt I'm after you  
Smell and a sound I'm lost in a crowd  
And I'm hungry like the wolf  
Straddle the line it's discord and rhyme  
I howl and I whine I'm after you  
My mouth is alive and running inside  
And I'm hungry like the wolf  
Hungry like the wolf  
Like the wolf  
Hungry like the wolf  
In touch with the ground  
I'm on the hunt I'm after you  
Smell and a sound I'm lost and I'm found  
And I'm hungry like the wolf  
Straddle the line it's discord and rhyme

I howl and I whine I'm after you  
My mouth is alive with juices like wine  
And I'm hungry like the wolf Smell and a sound in touch with the ground  
I'm on the hunt I'm after you  
Smell and a sound I'm lost in a crowd  
And I'm hungry like the wolf Straddle the line it's discord and rhyme  
I howl and I whine I'm after you  
My mouth is alive and running inside  
And I'm hungry like the wolf I'm hungry like the wolf  
Oh yeah, I'm hungry, hungry like the wolf  
Oeh, I'm hungry baby
