

# Soul One (Sippin' Time Sessions)

## Blind Melon

How come, girl was there  
When I needed one?  
How come, girl was there  
When the song is done?  
Some say, open your eyes  
To a brighter light.  
Okay, opened my heart,  
They were right. She was my soul one.  
Oh, she felt she was  
The only one.  
She was the sun,  
Her sky blue eyes,  
She was my soul one. Inside, the pain in my heart  
Often made her cry.  
Outside, cursed the birds  
And the sugar skies.  
How long, take to realize  
She's the one?  
How long 'til I find  
My lost and lonely soul one? She was my soul one,  
Lord, you know she felt like  
The only one.  
She was the sun,  
Her sky blue eyes,  
She was my soul one. Should've never taken the time,  
'Cause I found myself  
Livin' a lonely lie,  
You said you left  
To find yourself,  
But I never,  
No, I never got a chance  
To say goodbye. She was my soul one.  
You know, I doubt she was the only one,  
And I thought she was.
