

Good Tradition

Tanita Tikaram

There is a good tradition of love and hate stayin' by the fireside

There's a good tradition of love and hate stayin' by the fireside

An' though the rain may fall, your father's calling you

You still feel safe inside

An' though your Ma's too proud, your brother's ignoring you

You still feel safe inside Oh, was this solo?

Was this yesterday?

Was this true for you?

'Cause while all the rest have taken time, this didn't mean a lot for you And the corners laced with memories

Tell you how it used to be

Your mother smiles, the children play

And all the bad things happen miles away

And strong feelings never bother you

You hold your head up while the rest of us try to Oh, call the stations

Call the people

We all wanna know

'Cause while all the rest have taken time, you don't wanna know Well, there's a good tradition of love and hate stayin' by the fireside

There's a good tradition of love and hate stayin' by the fireside

An' though the rain may fall, your father's calling you

You still feel safe inside

An' though your Ma's too proud, your brother's ignoring you

You still feel safe inside Oh, was this solo?

Was this yesterday?

Was this true for you?

'Cause of all the choices you have made, this didn't do a lot for you
