

I Love You (TRANSFRMTN Version)

HIM

I see it in your eyes, I feel it in your touch
I taste it from your lips and baby more I love you Can't you see my darling?
That the harder I try, the more we grow apart
Please, believe me The sweeter the kiss, the colder turn your arms
And the colder turns your heart
And baby more I love you I see it in your eyes, I feel it in your touch
I taste it from your lips and baby more I love you
I see it in your eyes, I feel it in your touch
I taste it from your lips and baby more I love you And tonight, my darling
The closer I get, the more you're out of love
Don't you feel it? The colder your touch, the more it turns me on
And the faster beats my heart
And baby more I love you I see it in your eyes, I feel it in your touch
I taste it from your lips and baby more I love you
I see it in your eyes, I feel it in your touch
I taste it from your lips and baby more I love you I see it in your eyes, I feel it in your touch
I taste it from your lips and more I love you
I see it in your eyes, I feel it in your touch
I taste it from your lips and baby more I love you
