Favourite Son

Drenge

I wanna be loved by your favourite son
Don't wanna be touched by a different one
I wanna be hugged and I wanna be kissed
I don't wanna be fucked
I just wanna be his
I wanna be loved by your favourite sonYou come home, bother me
With your love, lucky meI wanna be loved by your favourite son
If you've only got one, then you've only got one
I don't care how he looks
I just want from your line
I don't care if he love me
Cause I'm sure I'll be fine
I want him to be yours
And yours to be mineYou come home, smother me
With your love, lucky meYou come home, smother meI wanna be loved by your favourite guy
Don't wanna be left cause he's making me cry
I wanna be yours, I don't wanna be squeezed
I just wanna be loved, I don't wanna be teased
I wanna be loved by your favourite guyLucky me, lucky me
Lucky me, lucky me
