Musiq Soulchild

Hmm go, go hmm

Oh goo, goo

Papapapa, papapapa

Oh goo, goo

Papapapa

Yeah

Oh

PapaSee we both shared a crowded room

Not formally introduced

But I've been watchin' her, watchin' me all night, ahh

And then she disappeared for a few

Must have got herself a drink or two

To work up a nerve to come and say "Hi"

She politely spoke her name

Like a gentleman, I did the same

And she sat down and we talked for a moment, yeah

She told me she'd be pleased to be

The lucky lady leavin' with me

That sounds nice but I'd hate to hurt my womanSo what, so what, it's all love, it's all love, show love

(So what)

(It's all love)

That's what she said to me, yeah

It's alright, alright, goodbye, goodbye

(Alright)

(Goodbye)

But for now you gotta live for the moment

Yeah ahhNow what I look like deceivin' my lady

The future mother of my babies

And lose a love that took years to build, yeah ahh

To do that I must be crazy

And right now I don't feel crazy

Even though you're killin' me with your sex appeal

(Yeah)

(Ohh yeah)

And on the real she may never know

(Ohh)

But the problem is I'll know

But how can I look into my baby's eyes?

Now it just might be cool for some

But I refuse to be the one
 To let a moment ruin my life So what, so what, it's all love, it's all love, show love
 (Yeah)
 (It's all love)
 That's what she said to me, yeah
 It's alright, alright, goodbye, goodbye
 (Yeah)
 (Yeah oh)
 But for now you gotta live for the moment, moment (Woo, woo, woo, woo)
 I must admit you look remarkable, yeah
 But my woman puts you to shame
 (Woo, woo, woo)
 Oh 'cause what we have is more than physical, yeah
 (Ahh, ahh, ahh, ahh)
 More like spiritual souls intertwinin'
 (Ahh, ahh, ahh)
 Intertwinin' like a braid So what, so what, it's all love, it's all love, show love
 (It's all love)
 That's what she said to me, yeah
 It's alright, alright, goodbye, goodbye
 (Ohh, ohh ahh)
 (You)
 (Yeah)
 But for now you gotta live for the moment, moment, ooh So what, so what, it's all love, it's all love, show love
 (It's all love)
 (Yeah, yeah)
 That's what she said to me, yeeeah
 It's alright, alright, goodbye, goodbye
 (Ohh, ohh)
 (Ahh yeah, yeah ahh)
 (Ohh, ohh)
 But for now you gotta live for the
 You gotta live for the
 You gotta live for the, ahh
 You gotta live for the, ahh
 For the moment, yeah
 Huu Nice talkin' about a girl
 Sayin' nice about her
 Should I go about her
 Find it in the moon
 Everyone pound her to love
 I've gotta reach for my babe
 Gotta reach for my babe
 Gotta reach for my babe
 Gotta reach for my babe

Gotta reach for my so long
