

# Underneath (Dave Armstrong & Redroche Edit)

## Alanis Morissette

Look at us break our bonds in this kitchen  
Look at us rallying all our defenses  
Look at us waging war in our bedroom  
Look at us jumping ship in our dialogues[Chorus]  
There is no difference in what we're doing in here  
That doesn't show up as bigger symptoms out there  
So why spend all our time in dressing our bandages  
When we've the ultimate key to the cause right here, our underneath  
Look at us form our cliques in our sandbox  
Look at us micro kids with both our hearts blocked  
Look at us turn away from all the rough spots  
Look at dictatorship on my own block[Chorus]  
How I've spun my wheels with carts before my horse  
When shine on the outside springs from the root  
Spotlight on these seeds of simpler reasons  
This core, born into form, starts in our living room[Chorus]
