Eighties

Killing Joke

Eighties, I'm living in the eighties
Eighties, I have to push, I have to struggle
Eighties, get out of my way, I'm not for sale no more
Eighties, let's kamikaze till we get thereAnd we sang
You do it this wayEighties, by day we run by night we dance, we do
Eighties, I'm in love with the coming race
Eighties, I've got the best, I'll take all I can get
Eighties, I'm living for the eightiesEighties, I'm living in the eighties, I push
Eighties, I'm living
Eighties, I'm living in the eighties, I struggle
Eighties, I'm livingEighties, I'm living
Eighties, I'm living in the eighties
Eighties, I'm living in the eighties, I push
Eighties, push, push, struggleEighties, I'm living
Eighties, eighties, I'm living
Eighties, I'm living in the eighties, I push
Eighties, push, push, struggle
