

# Sugar Daddy

Corey Smith

You got no cash in the bank  
You got no gas in your tank  
Wish you could move but you can't  
There's no running on empty, no  
But girl I got what ya need  
It ain't no college degree  
Come on and work it for me  
I'll be yo sugar daddy  
Oh its takes money to make money  
If you can't get it now ya probably never will  
You know that big game hunters and they's preying honey  
Your either running scared or your aiming to kill  
They call me a criminal, It's only political  
Yet if your pockets are full, you can pay off the law here  
Just like on capitol hill, write a check, block the bill  
We want to keep what we steal, yeah that,s me crying freedom

Oh its takes money to make money  
If you can't get it now ya probably never will  
You know that big game hunters and they's preying honey  
Your either running scared or your aiming to kill  
Your one of us or your one of them  
Who's side are you on  
You're either right or you're wrong  
Com'on get in the car  
Ba da da da  
Ba da da da  
Ba da da da da da  
Ba da da da da da da da da da da da da da da da da  
Oh its takes money to make money  
If you can't get it now you probably never will  
You know that big game hunters and there's preying honey  
Well heres your shot I hope you aint been killed  
Ba da da da da da da da da da da da da da da da d
