Walk on Water

Stacy Barthe

Some of us might never know
What we were put on this earth for What are we living for?
And if we had the chance to make our life exactly how we dreamed of, bet good money
We wouldn't really even know howBut didn't you know we
We're meant to walk on water
Didn't you know we
Didn't you know weDidn't you know we
We're meant to walk on water
Didn't you know we
Didn't you know
So you think you're in control
Until the day you find yourself
Running around in circles
And you can't seem to find your way And everything is complicated
Trying to make sense of things
And we don't even really know howBut don't you know
We're meant to walk on water
Don't you know we
Don't you know weDon't you know
We're meant to walk on water
Don't you know we
Don't you know weDon't you know
We're meant to walk on water
Don't you know we
Don't you know we
Don't you know
We're meant to walk on water
Don't you know we
Don't you know weDon't you know
We're meant to walk on water
Don't you know we
Don't you know weDon't you know
We're meant to walk on water
Don't you know we
Don't you know we
