One Thing (Radio Version)

Hillsong Worship

Verse 1:
I tasted the world, seen more than enough
It's promise is fleeting
Of water and wine I've emptied the cup
And found myself wanting
But there is a well that never runs dry
The water of life and blood of the vineChorus:
'Cause all I know is everything I have means nothing
Jesus, if you're not my one thing
Everything I need right now
All I need is you right nowVerse 2:
Just one thing I would ask and this I seek
If only to be with you
To be where you are and go where you lead
My God I will follow
The things of this world I count it as loss
I've laid it all down to take up this crossChorus
'Cause all I know is everything I have means nothing
Jesus, if you're not my one thing
Everything I need right now
All I need is you right nowChorus 2
'Cause all I know is everything I have means nothing
Jesus, if you're not my one thing
Everything I need right now
All I need is you right nowBridge:
And I sing
Whoa, whoa I want nothing but to know you
And to be with you my God
And I sing
Whoa, whoa and with everything within me
I will worship you my God
