

Gathering Together To Praise You

Jennifer Anderson, Alison Cullen, Mark Cullen, Jud

I'm with Your people,
Gathering together to praise You
I sense Your presence
As I lift my voice in song
My heart rejoices as I give myself
As a living sacrifice
And I lift up holy hands to worship You

Gathering together to praise You
Gathering together to give You Glory
Gathering together to lift Your Name on high
Celebrating here in Your presence
Dancing and rejoicing with shouts of joy
I'm celebrating here with the people of the Lord
