Disenchanted

Jimmy Somerville

So boy, where you go, what you do?
Hey there boy, what is wrong with you?
No future, no hope, just broken dreams
You spend your days wondering whyI'll be your friend, I'll be around
I'll be everything you need
I'll be your friend, I'll be around
I'll be everything you needHey young man, why you cry don't you know
You've got to try a little bit harder
You've got to stand on your own two feet
You never let them drag you down
Hey there boy, this prejudice and ignorance
We can overcomeI'll be your friend, I'll be around
I'll be everything you need
I'll be your friend, I'll be around
I'll be everything you needI'll be your friend, I'll be around
I'll be everything you need
I'll be your friend, I'll be around
I'll be everything you needDisenchanted angry young man
Disenchanted angry young man
Disenchanted angry young man
Disenchanted angry young manSo boy now you know what to do
Hey there boy, don't be blue
There's future, there's hope, hope for you
Hey young man, just believe in what you doI'll be your friend, I'll be around
I'll be everything you need
I'll be your friend, I'll be around
I'll be everything you needI'll be your friend, I'll be around
I'll be everything you need
I'll be your friend, I'll be around
I'll be everything you needI'll be your friend, I'll be around
I'll be everything you need
I'll be your friend, I'll be around
I'll be everything you need
