

# Love Is The Key

## Maze

Featuring Frankie Beverly Love is the key to life  
The thing that makes it right  
Why we can't be one I'll never know  
Love is the key this time  
And there's no doubt in my mind  
If you really want to be free  
Love is the key Love is the key that's so real  
It's the kind of thing you can feel  
We can make things nice If we let it be  
Love is the key you know I'm right  
Oh it makes you feel so dynamite If you really want to be free  
You can believe that love is the key Love is the key to life  
The thing that makes it right  
Why we can't be one I'll never know  
Love is the key you know I'm right  
Oh it makes you feel so dynamite If you really want to be free  
You can believe that love is the key  
If you really want to be free  
You can believe that love is the key
