Chinatown

Girlpool

lookin at a picture of you in chinatown
gettin dizzy standing up for you when you're around
thought i liked you, i was busy biting my nailseveryone's a prophet when they don't know what to say
hard to remember your coat's checked at the end of the day
and if i told you i loved you would you take it the wrong waycome down and visit with me
i'm lying dead on my knees
do you feel restless when you realize you're alivelookin back on november you could paint me anyway
i'm still looking for sureness in the way i say my name
i am nervous for tomorrow and todaycut my hair when i'm feeling like i don't have a place
and the mirror's reflection pushes me further away
if i loved myself would i take it the wrong way
come down and visit with me
i'm lying dead on my knees
do you feel restless when you realize you're a lie
