

# It's Too Late

## The Streets

Stayed in bed all mornin' just to pass the time  
There's something wrong here there can be no denyin'  
One of us is changin'  
Or maybe we've just stopped tryin'  
And it's too late baby, now it's too late  
Though we really did try to make it  
Something inside has died and I can't hide it  
And I just can't fake it  
Oh, no no no no  
(No no no no)  
It used to be so easy livin' here with you  
You were light and breezy  
And I knew just what to do  
Now, you look so unhappy and I feel like a fool  
And it's too late baby, now it's too late  
Though we really did try to make it  
(We can't make it)  
Something inside has died and I can't hide it  
And I just can't fake it  
Oh, no no  
Ru ru ru ru  
La la la la la  
There'll be good times again for me and you  
But we just can't stay together don't you feel it too?  
Still, I'm glad for what we had  
And how I once loved you  
But, it's too late baby, now it's too late  
Though we really did try to make it  
(We can't make it)  
Something inside has died and I can't hide it  
And I just can't fake it  
Oh, no no no no no  
It's too late, baby  
It's too late  
Now darlin', it's too late
